

SEPTEMBER 2020

- Rebrand
- New online store

Dear Customers

We would like to take this opportunity to let you know that **In Design (ID Schoolgear)** has rebranded! A new look, a new name and a vision of the future. By tapping into our drive for development, we've created **garmmo**.

This is a significant change, and you will notice changes happening to our branding, signs and promotions. Other than that, it's business as usual!

Well, not entirely usual but significantly better!

New

We have launched a **new online store**, **schoolgear.garmmo.com**, where you can now find all your school uniforms, your essentials and extracurricular gear all in one shiny new place!

We look forward to continuing to work with you under our new identity and we invite you follow us on **facebook** to be a part of this exciting journey.

As always if you have any questions, thoughts or requests we would love to hear from you.

The Garmmo team.
